WARDROBE CLEAN-OUT

Checklist

Make space, make cash, and make room for what you truly love.

Let's do a little wardrobe therapy!

Step 1: Take It All Out

- Empty your wardrobe completely – yes, everything! You'll need to see what you're working with.

Step 2: Sort into four piles

- Keep** – You love it, wear it, and it fits well.
- Maybe** – You're unsure or it needs styling inspo.
- Sell** – Still in great condition but no longer you.
- Donate/Recycle** – Worn out or doesn't spark joy.

Step 3: Be ruthless (but kind)

Ask yourself:

- Have I worn this in the last 6–12 months?
- Does it fit comfortably?
- Would I buy it again today?

If not, it's time for it to go to a new home.

Step 4: Clean & prep your “Sell” pile

- Wash or steam your clothes.
- Remove lint or pet hair.
- Check for missing buttons or small fixes.
- Fold or hang neatly – presentation helps them sell faster!

Tick your way to a fresh start!

- Tops sorted
- Pants & skirts sorted
- Dresses sorted
- Outerwear & jackets sorted
- Activewear sorted
- Shoes & accessories sorted
- Bags & jewellery sorted
- “Sell” pile ready to go
- Photos taken (if needed)

✨ Pro tip: Invite a friend, pour a glass of wine, and make it fun – it’s not just cleaning, it’s a reset!
